Dear Neighbour,

### **New housing for 58-64 Mount Royal Avenue, Mount Albert**

As you know, Kāinga Ora is redeveloping its land at 58-64 Mount Royal Avenue. We are now writing to advise that Auckland Council has granted resource consent for the development. A site and landscape plan are enclosed.

Our intention is to better utilise land currently occupied by a small number of old houses on large sections. We will do this by building a greater variety of new, warm, healthy homes, designed to complement the local environment and meet the needs of today's tenants.

The redevelopment of these properties will see the old homes replaced with fifteen warm, dry, modern homes. These will be made up of:

- 1x one-bedroom homes
- 11x two-bedroom homes
- 3x three-bedroom homes

The next stages of work at this site will include excavation for the building foundations. Given the location of this site, we may encounter large quantities of rock that will need to be broken up. We will take all possible measures to ensure that the noise levels from this work are kept within the conditions of the Resource Consent.

For more information on this redevelopment, please visit our website at:

If you have any questions or concerns about any of the Kāinga Ora sites, please get in touch using the details below, and ask to speak to a Stakeholder Relationship Manager in the Central and East Auckland Team.

We are looking forward to seeing the brand new housing that will start taking shape over the coming months.

Kind regards

**Community Engagement and Partnerships Team**
