

## Oranga Development

15 August 2022

The Owner/Resident

Kia Ora Neighbour,

### **New housing for 16-20 and 24-28 Felix Street, Oranga**

We are writing to provide an update on the progress to our redevelopment 16-20 and 24-28 Felix Street that is part of Stages 3 of the Oranga Development.

Oranga Development will bring new warm, healthy homes to Oranga. The land is zone Mixed Housing Suburban. Buildings in this zone are usually one or two storey and are set back from site boundaries with landscaped gardens.

As someone who has an interest in this site, we wanted to let you know that construction work will soon be taking place. Our build partner for this project is Signature Construction Ltd.

The redevelopment of these properties will see 65 homes replaced with 51 family homes. This will be split up in two parts. Part 1 will consist of 27 new dwellings:

- 4 x 3 Bedroom Homes
- 15 x 4 Bedroom Homes
- 3 x 4+ 1 Bedroom Standalone Homes
- 5 x 5 + 1 Bedroom Standalone Homes

If you have any questions or concerns about any of the Kāinga Ora sites please get in touch via email or contact phone below and ask to speak to Crystal Mesui or a Stakeholder Relationship Manager in the Central East Auckland Team.

We are looking forward to seeing the brand new housing that will start taking shape over the coming months.
