Kāinga Ora would like to remind our investors of our annual Virtual Investor Day on 14 September 2021

Kāinga Ora – Homes and Communities is set to hold its annual Virtual Investor Day jointly hosted with KangaNews. This event will be held at NZST 2pm on Tuesday, 14 September 2021.

This is an opportunity to understand more about Kāinga Ora and our roles of being a world-class public housing landlord and partnering to deliver urban development projects of all sizes.

Three interactive sessions on the organisation, financing and sustainability, provide the chance to hear from senior managers on wide ranging topics from building in all parts of the country, working with the development community, Māori, local and central government, and others to deliver quality urban development.

This year Kāinga Ora includes an additional panel discussion focussed on the organisation’s sustainability and customer programme journeys. An overview of the sessions is provided below.
