Privacy

Thank you for your official information request, which was transferred to Kāinga Ora – Homes and Communities on 30 October 2020 asking:

- *How many State houses existed in Glen Innes before the redevelopments occurred? (I am coming across the number as 60% of the residential houses were classified as state housing but i dont not have any credible information.*
- *How many state houses were handed over to TRC in 2016?*

With regard to how many state houses existed in Glen Innes before the redevelopments occurred, I am unable to provide you with this information as Kāinga Ora records housing data by Territorial Local Authority and not by suburb. Within Auckland, reporting areas are further refined by Community Boards. I am therefore declining this aspect of your request under section 18(g) of the Official Information Act 1982 (OIA) as the information is not held.

However, Kāinga Ora publishes quarterly reporting on its housing stock and the information that we hold, most closely related to your requested area of Glenn Innes, is the Maungakiekie-Tamaki Community Board. In March 2016 the property count for Maungakiekie-Tamaki was 4864. By June 2016 that figure was reported to be 2168. This reporting can be found on the Kāinga Ora website at: <https://kaingaora.govt.nz/publications/housing-statistics/housing-statistics-archive/>

I also note that on the Tamaki Regeneration 2017 *Briefing to Incoming Ministers* published on the Tamaki Regeneration website advises in its overview that 'Tāmaki is located approximately 12 kilometres southeast of Auckland's central business district ... with approximately 2,800 of the 5,000 existing homes in the area being social houses.'

The document can be found at: https://www.tamakiregeneration.co.nz/sites/default/files/site-files/T%C4%81maki%20Redevelopment%20Company_Briefing%20to%20Incoming%20Ministers.pdf

With regard to how many state houses were handed over to Tamaki Regeneration in 2016, this was widely reported at the time and can also be found on the Tamaki Regeneration website at: <https://www.tamakiregeneration.co.nz/our-community/news/hnz-transfers-2800-auckland-state-houses-new-authority>

You have the right to seek an investigation and review by the Ombudsman of this decision. Information about how to make a complaint is available at www.ombudsman.parliament.nz or freephone 0800 802 602.

Yours sincerely

Rachel Kelly
Manager Government Relations
